Subject: South Plainfield Draft Consent Decree Attached

Rob and Jonathan,

Please find attached a draft of the South Plainfield consent decree. You will note that the federal settling agencies are not included at this time although we continue to negotiate with EDS about federal liability at the site.

If you would still like to talk with us as scheduled at 2pm, we are available, but because you will not have been able to review the consent decree at that time, we suggest postponing the call. We would be happy to answer questions about the draft, please propose a date when you feel you will have had enough time to review it.

This draft remains subject to the review and approval of management at DOJ, EPA, NOAA, and DOI.

Best regards,

Rachel Evans and Peter Kautsky
